“ *Cindy, Brandon and Casey, I was so sad to hear of Dennis's passing. Dennis was one of the sweetest, kindest and most compassionate persons I have ever known. I was always so impressed by his skills relating to and caring for children that had suffered so much trauma in their lives. He was such a great example of a good and loving husband and father. I always enjoyed talking to Dennis and especially sharing our love for Southern Gospel music. As much as he will be missed here, Heaven is surely sweeter with him there. You all will be in my thoughts and prayers.*

“ I am so blessed to have gotten to spend 4 days with the Frazier family in April, and have wonderful conversations with Mr. Frazier about music and life. He was such a sweet, Godly man, and will live on through the lives he has touched with the love and light of Jesus Christ. My heart breaks for the family as I know all too well what it is like to suddenly lose a loved one with no warning. I know Mr. Frazier has run an amazing race here on earth, and has now been welcomed into the arms of Christ with "well done my good and faithful servant". So much love to you guys!

“ My heart goes out to all of you. Dennis was truly a gift to this world and to the work we do here at Casa de Esperanza while he and Cindy shared their lives with us and our children. Every memory I have of Dennis involves him either smiling, laughing, or offering to help in some way. I don't think Dennis had a selfish bone anywhere in his body. He brought joy to every child he came in contact with while he was here - and to those of us privileged enough to work with him as well. You will all be in my thoughts and prayers.

“ *My memory of Dennis is his constant smile, his laughter and love God and Family. As a younger cousin, I always felt important when I got to hang out with him and Donna. And all the cousin sleepovers at their house! We all had a wonderful childhood that rooted our strong bonds of family!! I will miss you! See you in a little while,*
