“ *To The family I'm sorry for your loss . I've known Sonny all my life . Remembering the time's we were little and our families would get together for a Halloween, filling our bags full of candy, fussing over our favorite . The most recent time's we had was working at the casino . My first day was looking for him asking for Sonny , nobody here by that name ,all of a sudden a head peeped around in the back , that's me , he was so embarrassed , everyone new him as Dennis . They teased him a little. But during our breaks and worked area's together we reunited. I'll miss him and glad to get to know him again. Karen Norman / Brown*

"Sonny" you always made us laugh and smile with humor and jokes. Dudes and I was laughing about the "BIG O STAIN" when Bryce was trying to sell you his car and pouring his heart out about what a great car it was, low mileage, runs good, good condition, overall good car and Dudes being 5 or 6 walks up looks in the back window and shouts out real loud "GAH LOOK AT THAT BIG O STAIN BACK HERE" and Bryce says "Shh I am trying to sell him a car". Dudes said everytime Sonny would see him he would call him Big O Stain. We love you Sonny and will miss you but know your going to be in a glorious place and will be with your Creator, Dad and other relatives that are waiting on your arrival. Tell all of them Hello and we think about them always. Sonny we love you and will all meet again one day. Love you Sissy. 🥹🌹❤️
