July 9, 1949 - December 6, 2020

Denny Lou McGinnis was born on Saturday, July 9, 1949 in Coffeyville, Kansas to James and Reta (Clark) McGinnis. He passed from this earth on Sunday, December 6, 2020 in Tulsa, Oklahoma at the age of 71.

Denny was a high school graduate and even took some college classes. Then he chose a truck driving career as a Commercial Transport Driver for Pepsi. In his spare time, he watched football. Denny loved OU, Boomer Sooner college football. He loved the Dallas Cowboys when it came to professionals... even when they were losing. Denny liked to be outdoors. He was a fisherman; his favorite was bass fishing and he loved spending time on Lake Tenkiller.

Later in life, Denny met Teresa (Bartlett) and on March 13, 2011 they married in Broken Arrow, Oklahoma. He loved his family dearly! He will be missed more than words can express. “ Denny and I had several nick names for each other. Some I can't post but they were funny and meant a lot to us. He was my little bother. My baby brother and he will be missed. He had a million friends because he was a friend. He lived that ole saying "You want a friend...be one".

His quick wit and infectious smile warmed a lot of hearts in his life on this earth. I am thankful for the past couple of years that we started having breakfast once a month and I got to know him as a person and not just as my little Bro. We shared values and stories and we both agreed that we have had amazing lives should we get on that bus and go home tomorrow.

I am thankful that he had his beautiful wife Teresa by his side. He simply adored her.

Good bye little Bro. Rest in peace. You deserve it.

Love you and will miss you.

Whether it was at work or on the water, Denny was a friend through it all. Haven't seen him since retirement, but will never dismiss his friendship at a time at Pepsi when friends were at a distance. Goodbye friend,  
May you Rest In Peace.

“ *My Bro, His Joey. How I will miss you. Our early morning texts. The laughter; Your crazy stories that just made you laugh until you couldn't breathe and tears were running down your face. Your encouragement. Someone just listening to me when I needed perspective. The 15,000 crank baits you got out of trees for me. You always said I could find every piece of brush in the lake. Our trip to Greeson is still one of my favorite memories of all of us..We had so much fun but a lot of peace there also. I know Teresa and I will always cherish the times we were all together. I know your neices and nephews consider it a blessing how much you touched their lives. Adam, you telling him he could be successful as long as he didn't quit. Erin and your Casino fun. Dallas, my quiet soul who looked up to you..Madison, she definitely loved her Uncle Denny. What a amazing man. I look forward to seeing you again with that huge smile.Rest in Peace my Brother. Love to you! Send me a star sometime. Joey.*

“ Denny was always there when we needed him. As his mother in law we always had a friendly feud playing cards and I'll miss that look he would give when I caught him with a bunch of cards. I think he let me. No one ever left his house hungry and he wanted people to be happy. my heart is broken that he is gone but I know he's in Jesus arms.
