“ I loved working with Nana at Hope. She truly was the most hilarious woman that I've come across in a while. I'm so thankful that I had the privilege to get to know her and spend that time with her. I hadn't seen her in a while but I thought of her often. She always had my back in tough times and I will miss her fiesty but loving spirit. I'm SO incredibly lucky to have known her. I love you, Nana and will miss you everyday.

“ Dear Samantha, Butch, Reagan Joseph and Family, we are so sorry for your loss. "Nana" was such a buoyant person. I first met her at the church picnic and Bunco and loved her immediately. She was such a vital part of our church; it will take several people to accomplish all that she did. Earth's loss of Diana Schulmeier is all of our loss, but we know that she has already attained Heaven, for which we all aim. Thank God for the promise that we will all be together again someday and nevermore part.....But for now, we know that we are "surrounded by so great a crowd of witnesses" watching us run our race (among which we know she is one).

“ Dear second Mom,
You were truly a wonderful person to me and raised me as if I was one of your own. You never hesitated to whip me when I did wrong just as you would your own boy, my best friend my brother!

I truly would like to thank the Schulmeier family for sharing their Mom with me as if I was their family, Allen (my brother), my sisters (who treated as if I was a little brother - very mean but still loved me), Janet, Connie, and Sam. I love you all will miss her deeply. She was so loving and so much fun, I really never a woman who was so outgoing and fun to be around (as long I was behaving).

*Love you all,
Bobby*

I had the pleasure of working with Diana for many years at Triad Bank. We shared many laughs. Diana had a great sense of humor and always had a smile on her face. She was a great lady. I am so sorry for your loss. You are in my prayers.

“ *I am so glad we all got together at Winstar last June to visit and celebrate Dad's birthday with Aunt Diana and all of the "cousins". I will really treasure those memories of Aunt Diana as she was always so happy when she was at a casino and around family. I was thinking back to when Mom passed away and how she stayed with Dad for a few weeks and how much we all enjoyed her company and support. She made a sad time so much better by just being around to share stories. This was so unexpected and sudden but I like to think of her with Mom and Dad laughing, joking and telling stories as they all get together again in heaven.*

My thoughts are with the family during this difficult time.

Love
