“ *It was my privilege to be Dixie's hairstylist, and my honor to be her friend. She loved her family dearly and would tell me of growing up in Texas and spoke of her husband Red. She talked about her daughter Helen and son-in-law Sam, she was so proud of her grand sons and their families. I feel I know each of you. She was sweet and sassy and we always had a good laugh about something. I looked forward each week to My "Dixie" time. I know she loved Jesus, and was ready for her eternal home. Until we meet again Dixie, I love you, Joy*
