“ *So sorry to hear of Don's passing. The GM dealer community knew nothing about it. Don was loved and admired by all he mentored and worked with. A great wealth of knowledge and teaching was lost.
He will be remembered kindly for his help and willingness to lend a hand.
His love of God was always evident in his every action.
Love and prayers to his family. May he rest gently in the arms of our Savior.*

“ *Janice, Donella and Denton,*

Don was such a good man, an outstanding Christian example. Janice, we think you and Don were both blessed to have each other as husband and wife. Donella and Denton, you too were greatly blessed to have the Father you had.

Just a few weeks ago when I saw Don, I asked him how he was doing. He calmly answered, "Just taking a day at a time." He put things in great perspective with that simple answer.

Janice, Donella and Denton, you are in our thoughts and prayers.

*We love you,

“ My 1st memory of Don was a firm handshake with a eye to eye contact introduction. Those kind of greetings catch you off guard because people don't do that now a days. He was quick to follow up asking your name & from there a friendship was established. Over the years I witnessed this over and over with others as a greeter in our church. Don was a humble, caring man that loved the Lord, his wife & his kid's. A great example for how a Christian man should to relate to family & people. I learned a lot from him on how to do things a "different way" when it came to home improvements, etc. I will truly miss his smile & his genuine concern for "how things are going" in my life. We all will miss you be see you soon.
