“ *Mr. Perry lived here with us at The Gardens for the past couple of years. He told us stories and loved visiting with people. We always bragged about his skills on the piano and we asked him to play every chance we got. He played by ear and by memory and he was really good! Mr. Perry always complimented us. "Your hair looks nice today." "Is that a new shirt? It's pretty." "You have such a nice smile." He endeared himself to all of us and we were lucky to know him. We will miss Don. Condolences to Dana and family. Thank you for sharing him with us!*
