“ *My condolences to the family. I considered "Donut" (as we called her in high school) to be a very good friend. She was always so fun to be around. I really loved her! We had many good times cheerleading together our junior and senior year. Not sure why we didn't keep in touch through the years. I regret that now. I wanted to get to her celebration of life yesterday, but was not able to make it. I thought of her all day yesterday and especially in church today! So glad "Donut" was a part of my life!*

“ My very deepest sympathy to Donette's family and friends. I have so many great memories of her as we grew up together. Weekend sleepovers on your living room floor, watching Friday night Creature Feature on TV, sharing our birthdays with your Mom's rhubarb custard pie (super delicious), Toni the best ever kitty that you gave me in 6th grade at the gym sale, and who will ever forget 'footballs'. I know Toni is showing you around up there, laying on your lap and purring - rest in peace my dear friend.

Love always,
