“ *I have so many fond memories of Doris. I worked with her at 3M in Weatherford during her time in Human Resources. She was a joy to be around and always, always, had a smile on her face and a positive attitude to work and life.*

She spoke so proudly of Fred and her children, as well as her faith in God. She was always such an inspiration to me, and I cared for her and respected her so much.

I want you, her family, to know how much she meant to me those many years ago, and also that I thought of her often after leaving Weatherford. She was one of those few people in my life who truly made a lifetime lasting impression.

Mickie,

Thank you so very much for letting us know. This has deep meaning and comfort for us. Mother spoke fondly of you just weeks before her passing, as she pointed out the framed picture of the two doves or birds in a print you gave her upon her 3M retirement, which stands on an easel in their home to this day. She was very fond of you and spoke very highly of you Mickie.

*Her service was a beautiful service and tribute to the Lord. She lived her life well, was a godly wife, mother, grandmother, sister and friend. Oh how we miss her terribly and would never be ready for her to go. We were indeed blessed by her life, love and joy, and now, her legacy. Blessings to you,
Gaylene, her daughter*

“ Ron and I have several good memories of the Janzen family when they lived in Weatherford OK. Doris was always so gracious when we participated in church events together. She was kind and considerate and a awesome example of a Godly Christian women to those of us who were younger wives and moms. May you experience God's peace and comfort as you remember your wife, mom, and friend.

“ Our sympathy to all of you in the loss of Doris. We worked with Doris back in the 70's at 3M in Weatherford. She was a lovely lady. I still make the recipe she shared with me for a delicious coffee cake that she made and shared with us at work. She also hosted a lovely baby shower for me! She was a kind, sweet person. Oh, thank you for letting us know! That coffee cake is my son's favorite! It's renamed "Grandma's Coffee cake" now. She blessed so many lives, and I promise, had no idea or would think that she did. Blessings to you, and many more coffee cakes to come! Gaylene, her daughter

I never had the opportunity to meet this beautiful young lady, but I did have the priveledge of meeting her husband Smilin' Fred. In addition, I met her daughters, her neice, and one of her grandsons. I could tell she was very much loved. If there is anything I can do in any way , please let me know. Love to you and the Family. “ Seldom do you meet someone who is as beautiful on the inside as they are on the outside, that was Doris. I was privileged to be a guest in her home on her 80th birthday, without regard for the four (golf hooligans) who showed up, she was as warm and congenial a hostess as though it was any other day. I will miss her sweet smile that always reflected the love of Christ in her soul. Rest in the loving arms of Jesus Doris.

*Fielding,
Thank you so much for those beautiful and heartfelt words. They are so comforting to our aching hearts. She is indeed living it up in heaven worshipping her loving Father and Creator. Selfishly, we miss her terribly. Her service was a beautiful tribute to her and her love for her Lord.*

*Blessings to you,
Gaylene, her daughter*

Thank you so very much, Hayhurst Funeral Home, and Brenda, for the amazing help you were to us in such a deep time of sorrow. Mother's service was handled beautifully and you took the stress and burden away from us. For those things we are so grateful to you. May God bless the precious work you do in His name, Gaylene
