“ *Just watched the service for Doris and it was a wonderful tribute to your sister and Tim's mother. The song "If You Could See Me Now" sung by Linda Dillion was beautiful. So thankful we were able to share in this tribute with you when we couldn't be there. Doris will be missed by all who knew her. Praying for peace and comfort to you and family.*

We will certainly miss Sister Doris. We're so glad for the times we were able to worship with her or fellowship with her at our church. Always easy to talk with, and always closing every conversation with "I love you".
