“ *When I was about 4/5 years old and I wanted to go to Ben Franklin's and get cap guns to play cowboys. I begged her to take me and she did. I got my cap gun and went home and got my cap guns and started playing cowboys. I love my mama. Also, when I was about 7-9, I got a cigarette out of her pack and went in the backyard and got on the doghouse and lit that cig. She knocked on the kitchen window and I fell off. I came in crying saying, "you made me fall off the dog house". My mom always reminded me of those memories, and it was talked about for years until she got ill where she was forgetting stuff ect. I sure miss my mama!!! RIP MAMA! I LOVE YOU TO THE MOON AND BACK!*
