

Doris Whisenhunt

August 27, 1931 - October 5, 2025

Doris made her ascent to her forever heavenly home, October 5th, 2025. She had recently celebrated her 94th birthday. Her life included time as a daughter, sister, wife, mother, grandmother, great grand mother, teacher of grade school children, and missionary to the Philippines and Thailand. Her heart was that of a teacher, sharing knowledge and her faith in the Lord with others. She will be missed and remembered. The last week of her life was spent in the gracious care of the Godly staff and many volunteers of the Porta Caeli Hospice House that are devoted to the end of life journey of people and their families. This remarkable place and their dedicated staff and volunteers that meet every need of every person. They truly have a calling from GOD. Doris chose to not have a service. Our family would request that in lieu of flowers, that a donation be made to the Porta Caeli House to aide them in their continued call to aide the last journey of life to this non profit organization. They have chosen to be servants of the Lord. Our family will be forever grateful to them all. PORTA CAELI HOUSE

“*Mrs. Whisenhunt was my 2nd grade teacher at Haskell Elementary School, in Broken Arrow. She encouraged us to read and write poetry. Her brother-in-law Cleo was my neighbor, and she would let me call her during the summer and she took me to see a play - it was The Miracle Worker. She was the best, and I love seeing she lived a long life.*

“*I had the pleasure of teaching several years with Doris! She was a “Founding Mother” as we started Arrow Springs Elementary on Lynn Lane in 1980. She was such a good teacher. Her students truly benefited as did the entire faculty and staff. Some might say she was Old School, but I say she had more WISDOM and COMMON SENSE than the average person. Those are 2 attributes not often found together!*

I looked forward to seeing her each Sunday at FBCBA. Her faith and love for the Lord was a blessing to observe.

As the years continued on I enjoyed visits and phone conversations with Doris. Her attitude was always so refreshing. I will miss her laugh and simple analogies of life!

“Doris helped raise Caroline and Elizabeth and even Tanya. She was the most wonderful, kind and sharing neighbor. Bob and I lived her. I just found out she passed. My deepest sympathy. Bob was waiting in Heaven to greet her. Love and hugs to family, Mary k Baird

“Mrs. Whisenhunt was my daughter's third grade teacher at Arrow Springs and was one of the BEST teachers and also such a delightful lady. When our children had Mrs. Whisenhunt, as a teacher, as a parent you were secure in the knowledge that your children were taught well. She had such a passion for teaching and loving our kiddos. What a positive difference she made in my family's life. Love to you Mrs. Whisenhunt - you are missed but not forgotten.

I taught at Arrow Springs with Doris! What a blessing she was to all of us! The year before I was on the third grade team with Doris, I had substituted at the high school. We discovered some of my students there had been hers in third grade. She would have a senior night for the seniors she had had. I had the privilege of sharing my first senior night at Arrow Springs with her because of our shared students! She had a way of making one feel special. I enjoyed getting together with her after her retirement. She will be missed! Kathy Seymour
