“ Dorothy was the most amazing woman. We had the honor of living across the street from her for 30 years. Her kindness was only exceeded by the amazing cakes she made for everyone. She was a gentle and beautiful woman and she lived an incredible and full life. She was loved by everyone who knew her and I am blessed to have been able to have this wonderful woman in my life. We will miss her and her endless joy so much. We love you forever Dorothy...Cindy and Kevin

“ Ms. Dorothy was my neighborly grandma from 2003 until now. I loved her dearly. Every high school dance gown was photographed in her livingroom, my wedding gown was embroidered by her loving hands, graduation parties always included her sweet smile and taking my babies to greet her was always met with “how darling” they are. I will miss visiting her. I will miss hearing her stories and seeing her pride of family as she spoke about all her nieces and nephews. I loved her dearly and she loved me into who I am this day. I will forever be blessed to have lived across the street from her and have known her love and kindness.
