Her nickname was Salty. But she was my MOM, what a Mom she was. I loved Mom so much. She had a 8th grade education with a Harvard degree, so wise. Goodbye for right now but I will see you again in Heaven. Love your Son, Donald Bickel

A valuable life's lesson I learned from my mom : back in the good old days when we starched and ironed nearly thing. If we didn't iron it good enough her reply was always (if it's worth doing —it's worth doing it right.) Love your youngest daughter , Alice

Mom Bickel,

What a special woman you were to both your family and those of us who weren't. You hold a very big place in my heart for the "other" mom that you were to me. Don is such a truly wonderful "Best Friend" to me and I love your family like they are my own. Love you Ron Pearson

*I have never known a day of my life without my Gramma being a part of it and I have always felt her love for me. She was not only my Gramma, but one of my dearest friends. We laughed, cried and enjoyed life together, making memories along the way. I'll always cherish every memory, and think of her every time I see a yellow rose (her favorite!) or see a little ladybug (who reminded her of how much God loved her.) She taught us about Jesus, the most precious gift of all! She'll forever be in my heart...and on the days I miss her more than I can imagine, I'll remind myself --- she Home, dancing with the angels...and yes, I'll see her again one day! I love you Gramma!
