“ Doyle was such a delight to know and be around! I have spent many hours in fields listening to the Tulsans and loved every minute of it. Doyle was a true person, nothing fake about his religion nor his character. He will be missed. The last time I saw him he gave me a handful of Tulsans CD's so I can remember and enjoy his contribution to all that he knew,

“ He will always and forever be Do-Do to me. One of my fondest memories is when I was 5, Granny West took me to Amarillo for Doyle's graduation. He had a motorcycle at the time and he put me on it and pushed me around the back yard on it. I had so much fun with him that day. It is one of my most cherished memories. Love you and I'll see you again!!!

“ So sorry for your loss! Doyle taught me a lot about all male quartet singing. I have many memories of him; too many to share here. Just say there are many memories of hard work and many funny moments. I will never forget him! I am richer for having known him and look forward to seeing him on the other side of this life. May he Rest in Peace!!!
