

## Dre James Donica

October 8, 2025 - February 16, 2026

Baby Dre James Donica was born on Wednesday, October 8, 2025 to the song “Still D.R.E.” by Dr. Dre in Tulsa, Oklahoma, to Grant and Andrea (Aguirre) Donica. He passed away too soon on Monday, February 16, 2026, at just four months old.

Dre was named after his mother, lovingly called “Drea,” and his late great-uncle, James Rice. From the moment he was born, he was perfect in every way. Though his time here was brief; his impact was immeasurable.

He was especially cherished by his big sister, Adaline, who adored him. Dre had his mother’s beautiful red hair, his father’s bright blue eyes, and an infectious smile that brought joy to everyone he met. He loved to “talk” with anyone who would listen, filling every room with his sweet sounds and light.

In his short life, Dre reminded everyone around him how precious and fragile life truly is. He was deeply loved by his parents, sister, extended family, and all who

had the blessing of knowing him.

Dre's memory will forever live on in the hearts of his family and in the love he brought into this world in his four short months.

Dre is survived by: His parents, Grant and Andrea Donica; his sister, Adaline Loren Donica; grandparents Pat and Debbie Donica, Tami Aguirre, and Tim Aguirre; and his great-grandparents Jerry and Connie Rice.
