“ *I have so many memories of you mom. I can't tell of them, I remember you always told myself and Tom something we got for Christmas. But the Best memory I have is this past Christmas, you was laughing and sitting outside enjoying the beautiful sun shine. You will always be my mom. I Love you and will miss you dearly. Love, Dana Ashley*

*Dana, I'm so sorry to read of your mom's passing. I haven't seen your mom in years but she was a good friend during our teenage years at Texanna. I actually named my daughter Dana after her daughter Dana. I had never heard the name and you were the cutest. I loved the name. Thank you for sharing your name with me. Prayers and great memories to you and your family.*

“ Dear Edith

*I couldn't have asked for a better teacher/mentor than you when I started my career on Commercial. When I last visited you we were reminiscing about our time in the best clinic ever and you made a funny remark (imagine that) and then I heard that familiar laugh and I thought to myself....this didn't take away your laughter...spirit...kindness. It only took away your strength. The strength that over the years took care of so many. I will find comfort in those memories of your laughter and kindness. Enjoy a well earned rest.  
Love you lady
