“ *Edith was loved by my family in England and Ireland. She welcomed them like she had known them her whole life. She was always wonderful and sweet to me and treated me like a daughter . She was a wonderful Grandmother to our children and I will always remember her cheeky smile and laugh and he sweet loving ways with the cats and kittens she loved to care for. She came to England on a plane even though she was afraid to fly and experienced an Irish wedding with dancing and singing , she said she would never forget how the Irish liked to party ! Edith will be missed by her family , my family and all who knew her , she really was a very special lady and I am so glad that I got to call her MOM ! xx RIP*
