

Edith Marie Rosamond

November 29, 1934 - November 27, 2020

Edith Marie Rosamond was born in Jenks, Oklahoma on Monday, October 29, 1934 to Freedus and Lucille Brown Rowland. She entered those pearly gates on Friday, November 27, 2020 at the age of 86. Services are under the direction of Hayhurst Funeral Home at 10:00 A.M. on Tuesday, December 1 in the Chapel.

Edith met and married Edward M. Rosamond, Jr. and they married in El Paso, Texas on July 3, 1954. They had four children and 10 grandchildren. She was a loving wife, mother and grandmother. She loved family reunions in May and any time spent with grandkids. A lot of the time spent with grandchildren was traveling through neighborhoods shopping the garage sales or a local thrift shop, HOW Foundation being a favorite.

She loved roller skating in her younger years. She enjoyed sharing memories of and from growing up in Jenks. She enjoyed food... cooking it, eating but most of all serving it! She was always on the front line at church serving up meals.

In lieu of flowers, please consider donating to the HOW Foundation

“ *I remember me and my cousin lacy going to garage sales with grandma. When we got back to the house grandpa would be upset but he got over it. Or one memory I have is going to H.O.W Foundation Thrift store and her picking on the boys there about staying out of trouble or trying to set me up on a date with one of them. There was one time when I was little my grandma would allow me and lacy to go to her adult bible study class. Then after that big church and maybe a Sunday lunch. Grandma would eat a plate and always make a plate for grandpa if he didn't go that Sunday. She would take it home to him. The year my grandpa passed I believe a part of my grandma went with him. I still laugh about how much grandma would take us grandkids around town to the store and heading back to the house us kids would say "grandma there's a garage sale let's go please". In 2012 I stayed with my grandma and I could see she was in pain but her spirit was strong. If I could go back to my grandparents house I probably could hear my grandma say "kids it's time to come in and eat supper" or "kids it's time to come in it's getting dark out ". I also remember watching John Wayne with her and joke about how he was her boyfriend on the TV. She loved my grandpa very much, my aunt, uncle's and my mother. She spoiled us grandkids no matter how old we got. I love you so much grandma one day I will see you again and tell you everything you have missed and go fishing with grandpa again. Love your granddaughter rachel schwarz*

“ Edith was a warm caring person. I loved working with her years ago at Wendy's. I got to know her and her daughter Nona who is just like her mother so caring. God got a angel who was loved and be missed.
