“ *Emerald... I'm so sorry. I'll miss you forever and I'll never stop loving you. I'm sorry I got sick. I didn't even know the protective order had been dropped. I never said goodbye. And I'm still not going to. Don't take this the wrong way, but I'll see you in heaven, my love. Until we meet again, my dearest friend. I love you too, Trinity, my only child. I miss you so much. I will try to see you soon. I just have to make sure it's okay to, now that I'm not so sick anymore. I'm so sorry you lost your mom.*

“ *Emerald was a beautiful young lady inside and out. Her smile was contagious and she had a positive impact in my life. I was graced to work with her over the last several years through Oklahoma Workforce. Thank you Lord for sharing her with us. May peace be with her daughter, mother and family. Melissa Newton*

“ *Emerald's smile could brighten your day - we would often converse at work about little things, but, she made a difference to me, to my life while at work. I will miss you dearly Emerald, into the Lord's Our Father's arms may your spirit soar and rest. In your last email, you asked me for cranes for your new office and I will fold some cranes for you this Christmas. God's Blessings to you and yours.*
