“ *Eric was a mentor to me. I would not have succeeded in my career without Eric's push and belief in me. He took me under his wing at a pivotal time in my life and guided me to which I will always be grateful. Thank you Eric for believing in me and showing me the way at a young age.*

“ I would say of all the people I have been fortunate to know in my life that Eric Davis had the most amazing ability to accomplish great things that required tremendous mental and physical determination. If you were to ask me “who do you know who can accomplish anything,” I would immediately respond with Eric Davis. Eric, you will always be a superstar to me. Cody Callaway

“ There are no words for a time such as this, only the peace and comfort that God brings.

The Davis family has been such a blessing to the Austin's through these many years. From Grandma Dorothy to Eric. It was our privilege to watch Eric grow-up and become a fine young man.

I valued his business counsel, but most of all our talks and his friendship.

Please know that You All are in our thoughts and prayers daily.

Love,

Mike & Judy Austin
