“ *I am truly to blessed to have known Ethel. She is an amazing woman of God. We shared many laughs and many tears together. We've shouted praises and stomped the devil!! It is comforting now to know she is no longer bound by the body she has limited her so severely the last few years. I can picture her now, totally healed and free, and marveling at all the things God had stored up for her. She will be wearing many crowns for her service for the Lord. My prayer is for all of you to remember the good times. Her struggles are over now.*

*love to all,
