“ *Mama Joy, it's been so many years since I've seen you but I can still hear your voice scolding Donna and I for doing whatever mischief we could find! I have so many fond memories of you and the family. I remember being little and you making Donna and I matching outfits, I loved those! And oh my gosh you had the cleanest house ever! You passed that good trait to your daughter :) You were my other Mom and I will always remember you that way! The heavens have another angel, so perfectly named "Joy" Donna, Roger and Jerome, may you find peace in knowing she is no longer hurting or tired and know that she will be with you all always. I love you all.*
