“ *I just read about Coach Putman's passing on my Broken Arrow class of 1969 website. It brought back memories (1966) of the 9th grade and my science teacher Mr Putman. He was a great teacher. I thought highly of him. I haven't lived in BA or even in Oklahoma for over 40 years. I have thought of Coach a few times over those many years as I have of all my teachers..... but ironically just a few weeks ago I was visiting with my granddaughters, who live in BA, and it came up in conversation my science teachers name was Coach Putman. The girls said they used to have a bus driver with that name. And I knew it had to be him. And in reading his obituary I see that it was him. I'm glad we all knew this good man. And I'm glad I got to think of him in a happy memory before I heard of his passing. I just want his family to know that, and I'm sure they do, know that he was a highly respected man. We're sorry for you loss.*

“ *I worked with Mr. Everett at BAPS, he was always the kindest man to the students and his coworkers. His grandchildren attended school with my children and it was clear how much he and his precious wife adored them. Prayers for his family.*

“ *Confessions of the Class Clown. I always appreciated how fair and compassionate Mr Putman was as my principal, and believe me when I say that cause it seemed I was in his office more then he was himself. Lordy did that man swing a mean paddle, right up there with "Walking Paul" Collins. He had such a positive impression on so many of us that was fortunate enough to have him as our leader both at Sequoyah and the Intermediate High School. Prayers go out to all of Mr Putman's family. May God bless his Soul, Rest In Peace, you earned it Sir. 🙏*
