“ *I worked with Faryl at Enid Mack and became friends with him. We had some good times over the years but lost touch the last two years. I wish I would have known he was having problems. Would have loved to see him again and it makes me sad that he is gone. He was a good guy. RIP Faryl Ohler.*

“ R.I.P. Cousin. I wish I'd had the chance to see you again, was hoping to. I'll always remember you with that long hair and the fun times as kids at Grandpa's on the lake. All my love to the Family

“ Faryl was a kid magnet. Everywhere he went, all the kids were drawn to him. He gave each kid one on one attention, and made them feel special. All the kids loved him. It was obvious he loved them too. If you knew Faryl, you saw the kid in him that didn't want to grow up. See you on the other side my friend.
