

Fermin Guerra-Ramirez

July 7, 1955 - April 22, 2023

Fermin Guerra-Ramirez was a man of great faith, born on July 7, 1955 in Morelia, Michoacan, Mexico. He was the beloved son of Rafael Guerra Arreola and Melania Ramirez Castro.

Fermin's unwavering devotion to his family was evident in everything he did. After School, he pursued a career as a Dental Technician, opening his own Dental Laboratory at home. He wanted to work from home to ensure that his family was always guarded and protected. His priorities were always to provide the best for his wife and children, and he based their upbringing on the word of God. He sent them to a private Christian school and instilled in them good principles, emphasizing the importance of honesty, speaking the truth, and doing good to their neighbors.

Fermin's love for people was remarkable, and his dry sense of humor was appreciated by all who knew him. He was a gentleman, and his love for the Lord was evident in the way he loved his family and friends. He was a second father to many, but his own family held a special place in his heart. His sacrificial spirit for his children was apparent in everything he did.

Fermin was an avid outdoorsman who enjoyed hunting and fishing, and he also loved to cycle, walk, or drive through the streets admiring beautiful architecture. He enjoyed upgrading his car with new accessories and learning

about health and nutrition to provide advice on living a healthy life. He believed that God's will was for us to be healthy, and that we should use wisdom and self-control to maintain that wellness.

Fixing things at home was a favorite hobby of Fermin's, but his greatest joy was spending time with his wife. He felt complete when he was with her, and he invested his time in his children, grandchildren, and great-grandchildren. He loved to tell jokes and play pranks with them.

In the last five years of his life, Fermin had an encounter with Jesus that changed everything. He became an avid reader of the Word of God and dedicated himself to helping others spiritually. He prayed every day at 5 am for Jerusalem, following Isaiah 62, and for presidents, pastors, and his family. He interceded so much for his family to come to the knowledge of Jesus, as he longed to see them all again in heaven.

Fermin was also a father figure to his grandchildren, raising them with love and care. He loved his son-in-law Carlos as if he were his own son and supported him as his father-in-law had done for him. He was an excellent example of a chain of love.

One of Fermin's lifelong dreams was to visit the Holy Land, and he was blessed to fulfill this dream. He traveled there and was baptized in the Jordan River, just as Jesus was. His journey to the Holy Land was a testament to his deep faith and his love for the Lord.

Fermin will be greatly missed by all who knew him, but his memory will live on in the hearts of those who loved him. His life was a beautiful example of love, faith, and sacrifice, and his legacy will continue to inspire all who knew him.
