“ *Dear Phyllis and family*

We love the Davis family and treasure all the wonderful time we had together at Woodlake. While we are saddened to learn of Jr Homegoing , however, we rejoice because we know Jr is with his savior whom he served so faithfully. And know he heard well done my good and faithful Servant. What a great day that will be when we are all together again never to have to say goodbye again. We are praying for you and know God's peace and comfort will be with you in the days and weeks ahead.

“ *Doug and I will forever be grateful for the kindness Jr showed us as a young newly married couple. He gave us wisdom for life, finances, and leadership. He showed Doug by example how to be a church leader with humility, grace and love. But most of all, we will remember his voice singing the praises of His Lord Jesus. We can just picture him even now singing in glory forevermore. We will miss you our friend.*

I am sitting here thinking of all the wonderful songs this man sang. His voice was so beautiful! I am so sorry for your loss and I am praying for you all. I love you all so much!

Tamara Richardson - April 17, 2020 at 11:31 PM

I remember Jr. was on the Woodlake board back in the 1980's when I was teaching a high school Sunday school class, Eric was in the class. I was going to leave the Sunday school quarterly but was concerned that I needed to be sure that it was all right and appropriate to do so. I talked to Jr. and explained what I was going to do and gave him the material I planned to use. He checked it out, encouraged me, and gave me the OK. That was one of several mentoring experiences I had with him.

But my greatest memory of Jr. is of him singing at funerals. There is something about music that the Spirit of God uses to touch the human spirit. It is uplifting, soothing and a great solace in a time of grief. Jr. had a way of communicating through music that was powerful. He would look directly into the faces of the grieving family making it a personal message sent from heaven above. It always brought tears to my eyes. It was beautiful to see how God would use him.

It is the prayer of Cheryle and I that the Spirit of God will bring that same sense of comfort and assurance to Phyllis and the family that Jr. shared so often through that God-given gift of music.

*Memory is a time to reflect of things of past.
Motor Cycle Rides, Lake Trips, Gatherings at Friends Houses for Dinner, Church Functions, Board Meetings, New Year's Eve Dinner, Church Services, Song Ministry, to mention a few.
Jr. was a man of high integrity and believe doing the right thing what ever the cost.*

We will miss Him, however looking forward to meeting him just inside the EASTERN GATE.

Trudy and I attended Woodlake church for many years with Junior and Phyllis. I always admired him. I remember his beautiful singing voice. He sang and Phyllis played the piano at both of my parents' funerals. I really appreciated that. So sorry for the loss to his family but, I know he now is in heaven with Jesus free of all pain and sorrow. Plan on seeing him again some day.
