“ *Looking through the photos attached in this tribute page, sure brings back a flood of great memories.*

*As a kid I always anticipated what kind of car or truck Wayne might be driving next. I have been a car buff since about the age of 17 and have probably owned 30 cars/trucks in my life. I am sure I got my love of cars from Wayne!*

*My wife and I will keep the family in our prayers as you go through this period of grieving.*
