“ I was honored to have Doug as my husband for fifty-six years. We met when I was fifteen and he was seventeen. I just liked a month being sixteen. We were high school sweethearts. We had two wonderful children, three grandchildren and one great grandson and now another one on the way that we found out before Doug passed away. He was a very good Dad and a wonderful grandpa and even a greater grandpa to our great grandson Lane. He loved nothing more than to have them all around as they were growing up. He played with them and took their every thought and hurts as they came to each of them as a grandparent would. He was a very giving and caring husband as well and took very good care of me as well. Everyone loved him that knew him he was very good and generous to people. He loved his parents and siblings as well . We had many get to gathers through the years. He had a large family and was the youngest of twelve children. you could depend on Doug. His co-workers was like family and he felt very close to most of them that he had known and worked with through the years.

*I miss him so very much and the Lord is helping me unbelievable though to be strong and to handle life as it comes. I am so thankful of all the many years and things we shared together and look forward to the day when I will see him again. I love you my darling and I will be with you again someday.*

*Your Loving Wife,  
Carolyn*
