“ Freda was a wonderful neighbor and friend for over 20 years. She will be missed but there is no question where she resides today. It was a blessing knowing her and Jerry for all these years. Until we meet again..... Marcia & Bill Thrutchley

“ Jerry and Freda were our next door neighbors for many years and you could have not asked for better. My parents were getting up in years and Freda visited and checked on them most everyday. She would also cook casseroles, cakes, etc. and surprise them. When her and Jerry moved to Houston with the job transfer, we really missed her smiling face. She was a Godly woman and proud of it which made us love her even more. Our hearts are heavy because she is no longer with us but today her memory is crystal clear and no more pain or suffering. We all know she has just merely changed addresses and if we follow her example we will be her next door neighbors again. Praise God!!!

“ Freda and Jerry came to our house to witness and invite us to their little church on the corner. "Something" made us go! It was just what we needed for our family to praise and study the Bible. She continued to befriend me and show how us to be a giver. Not just of money, but time and energy too. She'll always have a special place in the Holcomb family hearts.

“ May the Lord comfort you during this sad time. The sadness is all on this side. What unspeakable joy Freda must be experiencing now in the freedom she now has. I am praying for you at this time.
