My condolences to the family. They lost a wonderful person. I met Freda when joining Sun Oil as a District Supervisor in 1996. She was a super nice and authentic person. Always there to help me with any HR issues. I remember her talking about her husband Bobby and their kids with much love and admiration. A great loss to this world.

“ I am saddened to see the loss of our friend Freda. I worked at the Sun building downtown with her for many years. Later I transferred to the last Bulk plant Sun owned at the refinery. I had the good fortune to meet and work with her husband Bobby for many years. I always remember Bobby getting her Pearls, he said her favorite. Such great friends they were. Hugs and prayers for Bobby and their precious family.

“ I have known Freda since high school at Central high down town Tulsa. We connected years later while taking square dance lessons. I looked across our square dance and there was Freda and Bobby looking as about as confused as Carl and me. We kept staring at each other and finally I said Freda and she said Rosemary. It was fun connecting after all these years. We joined the same Square Dance clubs along with our friends Ricard and Linda Jones. We had a lot of square dancing days and camping together. Great memories.
