“ *I'm Kathy, the youngest of the McCoy 1st cousins. My oh my we've lost so many in the past few years and I'm heartbroken to read of Freddy Don leaving us. I remember everyone gathering at grandma and grandpa McCoys house and for sure me being at least 10 years younger than all the cousins that I would hide under grandma's kitchen table as they always picked on me, but when Freddy Don, "my heart throb" would come in and out from under the table I'd shoot and into his arms. I'd twirl my fingers in his long, curly hair and wrap my arms around his neck, man I adored him and there was always something so amazing about his smile. Thank you for the memories.*

“ Haven't seen Freddie in many years but when we were teenagers Fred was a good friend friend. We had a lot of good times back in the day. Wish I could have reconnected with him before his passing. Condolences to the family in Fred's passing. RIP Freddie
