“ Heaven greeted another angel today when Freida earned her wings! I have so many wonderful memories of Freida from high school. We lived 1 block apart from grade school through high school. Freida was a high energy, emotional and sweet friend. I always teased her about being spoiled by her parents. She absolutely adored her older brother Lindell and sister Modena. She was treated like an only child by her family, yet truly loved life and friends. She was our “drama queen” throughout h.s. I want her husband and children to know she was very special to me. Freida was someone you never forgot. She left her mark in Cushing! ❤️❤️
