“ I have many cherished memories of working with Gary and his sweet wife Marsha during my 28 years of employment with Automatic Protection Systems in Broken Arrow. I will never forget the day he interviewed and hired me and ask me what I knew about fire protection. I replied “I think fire extinguishers are red”, he laughed and I figured this interview is over but thankfully it was the beginning of a long and cherished friendship and successful career for me. I learned a great deal from Gary...how to work hard and be focused on goals, and eventually how to walk away and retire and enjoy the next stage of life when it's time. Rest in peace dear friend. May the Lord be with your family as they mourn your passing and navigate the future without you. Our prayers will be with them. ❤️🙏

“ Gary Field

With the Sun rays timidly shining

You said your goodbye

Perhaps to remind us how strong was your light

Your Love for us all, under the Oklahoman sky

You shared your compassion, ideals

You raised us so fine

We become your voice and your acts

Represent you so proud!

A true warrior all your live

We cherish your example

And follow you with a smile

With the Sun rays strongly shining

We said our goodbye

The Sun reminding us how strong was your light

Your love for us all, under the Oklahoman sky!

“ Marsha, Michael, Meagan & Family,

We are so saddened to hear of Gary's passing. We have so many years of great memories with all of you. What a wonderful gentleman and leader Gary was to all who crossed his path, never complaining and committed to his family and work family in every way. Marsha, what a team the two of you were in life!

May God give the family peace during this time, with plentiful, wonderful and cherished memories. He will be deeply missed by many who knew and loved him.
