“ *What a wonderful person was Gloria. I lived with her and the kids in 1965/66 and enjoyed every minute of it. One thing I laugh about every time I think of her is I worked second shift and I'd sleep most of the day until time to go to work. Gloria fixed me a pb & j sandwich every day for me to eat on my lunch break. I bit into my sandwich this one evening and the peanut butter was on there so thick that I knew she'd reached her limit of fixing my lunch for me!! We had a lot of laughs. There wasn't a better person than her. I loved her dearly.*

“ Dear family, I am so very sorry to hear of your great loss. What a precious person she was. She was in the bank about two or three weeks ago telling me about her legs swelling. I told her I had a pair of support hose that I couldn't wear and that I would bring them to the bank for her to pick up. That is the last time I saw her. They are still in my desk. My goodness, I am just so shocked at this news. She always had a smile and it was such a joy to visit with her when she came to my window. My prayers are with the family and trust that God will comfort each of you. God Bless

“ What a precious example of a Proverbs 31 woman, Gloria, was! I have no doubt in my mind that she is in our Father's arms with Frank by her side.

*You are in our prayers!*
