Buck,  
Well, we were do happy the other day at Vicki's when you stopped by for a visit, Mike and I were visiting her so we all ended up having some good laughs! The sun will be much brighter with the shadow of the rainbow laying over you; I won't say "goodbye", as I'll just say see you later, when it's my time, I can hear some more of your jokes when see you again. I know that you aren't in pain anymore! RIP! Bev & Mike!  
We drove by your house today and it looked so peaceful and quiet there! 🙏
