

Dr. Guy Belford

October 1, 1948 - February 12, 2026

Dr. Guy Patrick “Pat” Belford passed away peacefully at his home in Oklahoma City on February 12, 2026, surrounded by his loving family.

Pat was born on October 1, 1948, in Tulsa, Oklahoma, to Colleen and Guy Belford. He spent his growing-up years in Broken Arrow and graduated from Broken Arrow High School. During his senior year, he proudly served as captain of the football team when they won their conference and advanced to the State playoffs—an achievement he always remembered with gratitude and pride.

Pat attended Oklahoma State University, where he met the love of his life, Cindy Gilbert. They were married on December 21, 1969, in Tulsa, beginning a beautiful marriage that would span 56 years. He graduated from the Oklahoma State University College of Veterinary Medicine in 1972 and soon opened Doctor’s Small Animal Hospital in Broken Arrow.

Pat’s love of learning, his passion for practicing medicine, and his deep care for people stirred in him a new calling. In 1980, God opened the door for him to attend Oral Roberts University College of Medicine. He graduated and completed his residency with honors in 1987. Over the course of his distinguished career, Pat practiced family medicine and emergency medicine in Mangum, Cushing, and the Grand Lake area, faithfully serving countless

patients with skill and compassion.

Pat believed deeply in caring for both body and spirit. In 2011, following God's leading and with the support of Langley First Baptist Church and many dedicated volunteers, he founded Bethesda Free Clinic to serve uninsured individuals in need of medical care. The clinic continues to bless the community to this day—an enduring testament to Pat's servant heart and unwavering faith. He ministered God's love to each patient he had the honor of helping, seeing medicine not just as a profession, but as a calling.

Pat retired in 2019. He and Cindy cherished several joyful years of lake life before returning to their hometown of Broken Arrow. Retirement never slowed his love for family, faith, and fellowship.

He is survived by his devoted wife of 56 years, Cindy Belford; his daughter, Jennifer Lalli and husband Ben of Oklahoma City; his son, Chris Belford and wife Shandy of Edmond; and his beloved grandchildren: Dean Locklear and wife Sam of South Bend, Indiana; Abbie Harris and husband Randy of Jones, Oklahoma; Ashtyn Locklear of Atlanta, Georgia; Tanner Locklear and wife Lakyn of Edmond; Lauren Belford of Edmond; Trent Belford of Stillwater; and Cooper Belford of Edmond.

He was also blessed with twelve great-grandchildren: Reese, Nash, Theo, Oaklan, Rose, Kylie, Grayson, Ethan, Charlotte, Richard, Jaydon, and Wyatt.

Pat is survived by his brother, Mike Belford and wife Deborah of Jay, Oklahoma; his sister-in-law, Rene Belford; and numerous cousins, nieces, nephews, and dear friends who became like family—each of whom he poured his life and love into.

He was preceded in death by his parents; his in-laws, Jethro and Pauline

Gilbert; his brother, Tim Belford; and his sister, Leeann Wheeler.

Pat will be remembered for his unwavering faith, his compassionate heart, his dedication to healing, and his steadfast love for his family. His legacy lives on in the lives he touched, the patients he cared for, and the family he cherished so deeply.

In lieu of flowers the family requests donations be made in Dr. Belford's memory to Bethesda Free Clinic in care of First Baptist Church, Langley, OK 74350.

There will not be a graveside service.

“ Dr. Pat was truly one of the kindest, giving and nicest man we had the privilege of knowing. He and Cindy were very special to us. We had the privilege of inn setting for them a few times. The love you two shared was truly inspiring. Our heart truly goes out to you Cindy, and the entire family. I know his presence will be missed, but you have the assurance that he is home with Jesus. One only had to be in Pat's presence for five minutes to witness his unwavering faith in in God.

Pat was truly one of the really good guys in our class. As a class we did lots of ornery things but Pat was never there. He didn't feel he was better than we were but he just chose not to participate. After high school he continued to improve himself. It's my great honor to be able to say we were friends and I'll see him again someday. He was a blessing to others.
