

Harold Moore

August 12, 1933 - February 3, 2021

Harold Lloyd Moore was born on Saturday, August 12, 1933 in Pryor, Oklahoma to Homer Alonso and Jessie Mae (McCleery) Moore. He passed from this life to his eternal home in heaven on Wednesday, February 3, 2021 in Tulsa, Oklahoma at the age of 87.

Harold was the youngest child and only son with three older sisters. They grew up children of a farming family, so he learned his strong work ethic early in life. They had cattle, chickens, and a small peach orchard on their property. He played baseball as a youngster and graduated from Pryor High School in 1951. Two years later, he joined the U.S. Army and was involved in the Korean Conflict until his honorable discharge in 1955. When he returned from his time in the service, he began his career as an Equipment Operator with Unit Rig in Tulsa. After many years working there, he completed his work life as a Security Officer with the American Red Cross in Tulsa; and also spent several years operating a successful lawn and landscaping business.

In 1976 Harold and Barbara (Gilmore) Cooper were married in Tulsa. They made their home in Broken Arrow and enjoyed creating a lovely environment for friends and family to enjoy backyard barbecues, holiday gatherings, and playing games with many grandchildren.

Harold enjoyed gardening, could fix any problem with a tractor or mower, and loved watching westerns on TV as well as the Lawrence Welk show. He and Barbara were longtime members of Northside Christian Church in Broken Arrow. Harold volunteered by keeping their lawn looking sharp for many years

as a service to his church family. His family describe him as: kind, gentle, hardworking, sweet, thoughtful, and considerate. He will be missed by all who knew and loved him.

Harold is survived by:

His wife, Barbara of Tulsa

Daughter, Karen Hutson (Bruce) of Deerfield Beach, Florida

Stepsons: David Cooper (Lorrie) of Sierra Vista, Arizona

Kenneth Cooper (Barbara) of Skiatook

Michael Cooper (Jill) of Broken Arrow

Jeffrey Cooper of Skiatook

9 Grandchildren: Brent, Bryan, Keith, Ryan, Kelly, Mike, Angie, Jeff and Scott and 11 Great Grandchildren.

He was preceded in death by his parents: Homer and Jessie Moore; three sisters: Opal, Louise and Lula Mae ("Boy"); a step daughter-in-law: Susie Cooper; and one grandson: Dustin Cooper

“ I will miss you Grandpa. Thank you for giving me a determined spirit to follow as a soldier in the Army. Coming to the house was always a giant blanket of comfort. I will always remember eating an obsessive amount of your tomatoes. Love you very much.

“ *When Harold married Barbara 45 years ago he accepted four step sons and they got the very best step sister! He was a wonderful father-in-law, grandfather and great grandfather. Most of all he loved Barbara and they were truly a “couple “.*

We know he is in heaven now and that brings great peace. Great grandchildren Jace & Faith said they are happy for PaPa Harold but sad for us. Well said.

We will all miss him! ❤️ Barbara Cooper

“ Being Harold and Barbara’s neighbor for the last 31 years has been a privilege. I was honored to be able to take care of your yard for the last few. I know how picky you could be about it’s care. I always enjoyed sitting on the tailgate and talking about everything. You were a great friend who I will really miss. You always had a smile and kind word and were always generously offering help even when you were physically no longer able to. I know you are pain free now and in a better place, You will be greatly missed.

I grew up on a farm about a mile from Lloyd and went to a one room grade school with Lloyd until he graduated to high school. My brother Phillip and he we’re good buddies at the time. My Dad build a snow sled and we all picked up rocks going down one side of Bald Knob Hill. We went sledding . Rode horses and he played on a baseball team in our community that played other communities around. We had parties that the kids came and we played different games ! We went to church in the school house for several years till they build a church a couple miles down the road. Where almost all the kids went to Sunday School and church. Lloyd was always fun to be around. And nice guy! We had a school reunion a few years back and he attended and nice to see him and good memories!

Prayers for his family during this difficult time!

“ *Harold was a wonderful brother-in-law who adored my sister and did everything to make her happy, comfortable and safe. For that I am so grateful. He was so kind and good to my parents too. He would drop everything to take them to the hospital, doctor or wherever they needed to go. He was a lot of fun too. The three of us had a great trip together to Vegas. We had a lot of laughs. I am so thankful we had that time together.*

Harold will be greatly missed. May he Rest In Peace with all the other angels in heaven.

“ Dad...

Hardworking, Soft Spoken, and Protective are three words that come to mind as I remember you. You have loved me by demonstrating these characteristics ALL of my life.

It is always good to consider our commonalities:

- * We were both "Dog Magnets"*
- * We both loved the outdoors.*
- * LOVED Ice Cream!*
- * And "In-Love" with our own soulmate.*

You lived your life well and am proud to be your daughter.

I will miss you...

*Love,
Karen Hutson (daughter)*

“ A couple quick memories:

I went to work for Grandpa one summer, as a kid mowing commercial property. It was tough work but immensely appreciated. Hard work is great for the spirit. He'd be happy to know that that spirit has been carried on in future generations.

Grandpa was a Chevy man. He knew I was into cars as a kid and when he needed a new truck, we went out one day to truck shop. I suggested maybe a Dodge? No thanks. Maybe a Ford? Nah, no thanks. A Chevy? Yeah, thats about right. The question wasn't the type of truck...but really what color Chevy truck he should get!

I always remember Grandpa told me that when I got my first real job that I should frame and not spend my first paycheck. Only to realize that when I opened my first check...Uncle Sam had taken his cut.

There was no framing and saving that day!

I remember telling him that story and he got a kick out of it!

Love and Miss you Grandpa!

“ While I did not know Karen's father it is obvious that he was a wonderful man as that shoes through Karen's nature. When God created man and woman he also created within them Spirit, so that their life is eternal.

There is no doubt (none) that Karen's Dad is now in heaven and free from all the evils in this world. It would have been an honor to know him. Chuck Laser
