March 13, 1926 - December 24, 2018

Helen Alma Heimbach, age 92, went to be with the Lord on December 24th, 2018 in Broken Arrow, Oklahoma. She was surrounded in love by her children and grandchildren. Helen was born March 13th, 1926 in Salamanca, NY to Helen and Alfred Robison.

Helen married Lewis L. Heimbach on June 26th, 1946 and they lived in Limestone, NY. She was a homemaker for many years to her husband Louie of 67 years, and their 7 children. When her youngest child started school, she went to work part time in the Limestone, NY school cafeteria. She loved to knit and crochet beautiful afghans, sweaters, mittens and hats. She also loved gardening and canning. While working she always found time to sew her daughter's roller skating outfits and cheerleading uniforms.

Helen and Louie were members of a square-dancing club and cherished their time together. They spent summers camping and boating with their children, friends and family as well as snowmobiling in the winters. After retirement, Helen and Louie enjoyed traveling throughout the United States on numerous bus tours. They moved to Broken Arrow, OK in 1995 to live close to all their children and grandchildren. Helen went into assisted living in Broken Arrow, February of 2017.

“ Found this picture of me and grandma from 1971. I was always a Grandma’s girl. I loved spending my summers with her and Grandpa. We always went camping in the Winnebago to fun places like the North Pole, Niagra Falls, 1000 Islands. We would also go pick strawberries, blueberries, blackberries and then we would make them into pies or jam. She taught me how to crochet, needlepoint and do latch hook rugs. She was the epitome of what a grandma should be. I will always cherish these memories of her and will miss her smile and kisses on the cheek. I will miss her waving goodbye from the front porch and her saying “I love you Sweetie”. I know I’ll see her again someday but until then I take comfort in knowing that she is with her dad, great-gram, Gramps and my mom.

Love you Grandma. ❤️🥹❤️

Awesome, honest, hardworking people with a fine upbringing thanks to this Lovely Lady and of course, Lewie. Love you guys. Prayers that the Lord comforts you in your time of grief. <3 Hugs

“ I have so many fond memories of Aunt Helen. I was always impressed with the garden that she and Uncle Louie had in Limestone. I also enjoyed going to the great picnics at their home. The thing that really stands out to me now about Aunt Helen is that she was such a good-hearted, kind and genuine person. She took the time to write a letter or to stop by our home in Rochester if they could. She graciously shared genealogy information and pictures whenever I asked. She was always happy to see Trish and I and our kids when we made unplanned visits while we were camping at ASP. She also made my gram (her mom) very happy especially on those countless Sunday dinners that gram loved. Needless to say she will be missed.
