“ Helen was a beautiful lady who lived at Forest Hills Assisted Living. She was kind and thoughtful and had many friends at the facility. Helen was always busy and was instrumental in the revitalization of our facility library. Helen led the charge in getting the books in order, getting the library reorganized, and helped get the Tulsa City County Library involved with Forest Hills. She loved to dress up for Halloween and the various parties we had and was always eager to help with the fun! She will most certainly be missed by her many friends and the staff at Forest Hills. Our sincere sympathy to her lovely family. God Bless all of you.
