“Helen was such a lovely person, she always asked how I was doing, how were my grandchildren and was genuinely interested in knowing and listening. Helen was truly one of the most delightful people I've ever met. A beautiful soul has ascended to heaven. My sincere sympathy to all of the family. Nancy Kindle

“I always loved your Mother from the day I met her. It was such a joy to see her at the bank. I remember one of her trips to California, visiting her sister. She related all the fun & special moments from the trip & bubbled over describing the time they spent together. Helen was a professional, but she had that twinkle in her eye & possibly a little mischief up her sleeve, when it was appropriate. Thinking of the family, I know it was hard to let her go, but may the promise of heaven give you great comfort & peace, knowing you will see her again.
