“ *Helen was the mother of my mother, and thus my grandmother. I can't really say that we ever knew each other. I hope she passed peacefully among friends. RIP.*

“ *I go to know Miss Helen at AVB Bank in BA. I always loved visiting with her when she came to my window. I had lost track of her and am sorry for your loss. She was a sweetheart, always so gentle and kind. I know she will be missed and I pray for God's blessings on the family as you go forth. I have a prior commitment and won't be able to attend the service tomorrow.*
