“ *What a wonderful man of God and loving Pastor. I can literally still remember some very specific sermons he preached and the words of encouragement from him. He preached a message at my Dad's funeral titled, "When God Calls We Will Answer" and he comforted our family by telling us how beautiful Heaven is. What an impact he and his family have had on my life and still continues to this day. I pray that Sister Louise, and her family are comforted by the blessed hope we have in our loving Savior that Brother Sponsler so eagerly loved and preached. Thank you Sponsler family for your love and friendship. Until we meet again!*

“ *Brother Sponsler will forever be my pastor as he was the first and best pastor I have ever known. I have so many memories of him and his family and they have been a part of so many our special events from weddings, dedications and funerals. My heart goes out to all who will miss him, but it also rejoices to know he is with Jesus in a place he taught many of us about. God Bless you!*

As A.J. & I watched the livestream of Bro. Sponsler's funeral we smiled & laughed together as teardrops would fall. Bro Sponsler & his family will always be so dear to our hearts. We were honored to have him as our pastor at the Stilwell P.H. Church. His sermons and his life taught of God's love & grace. Our love & prayers are with Louise & family.

“ Brother & sister Sponsler was well loved by me and my family, I have many wonderful memories of things he did for me and my family like showing up at the hospital in a time of need, preaching funerals for family members, loving my kids and pointing them to God. I was saved under his ministry and so many other reasons he is so special to us.
