“ *I met Hugh when I worked as an electrical consultant to the City of Stilwell. Hugh was one of the most organized people I had ever met. Also, he was one of the kindest people I ever met. He always looked for a kind word to say about everyone. Hugh helped me very much. After Hugh retired (again) from the City, I was so impressed about how he worked with the food bank. Hugh was a true leader and organizer. Hugh's love for God and his fellow man was self-evident. Hugh will be missed far and wide, but God now has another super leader added to his midst, and my guess is Hugh is already actively engaged in projects that would fill us with awe and wonder. May God's continued blessings be with Hugh and his family. Sincerely, Mike Hughes*
