“ *Jo was a dearest of friends to my mother Dorothea Forrester. What a wonderful lady. Just heard of her passing. Peace to the family. Grateful to have known her.*

“ *What a beautiful Celebration of Life for a lovely lady. We all tend to have "our pew" in church, and mine was always a row or two behind, and to the right of the Marston family. All four children were seated between Mom & Dad, and if one dared to start to look behind them, they received a quick look, which turned their heads immediately back toward the front.*

*What a joy it was to hear the funny stories about how creative Jo was in entertaining and loving Bobby, Carrie, Vickye and Lisa. A special thanks to Bob Jr., Jennifer & Katie for all that you shared. Goodness, she worked hard at being a wonderful Mother. How lucky you children, grandchildren and great-grandchildren all have been, and how very blessed she was to have all of you to love, and all of you to love her.*

*My thoughts and prayers for all of you.*
