

James Henderson

November 16, 1964 - September 6, 2020

James Warren Henderson was born to Warren and Betty (Cohee) Henderson on Monday, November 16, 1964. Jimmy passed from this life on September 6, 2020 in Tulsa, Oklahoma.

Jimmy was a good athlete growing up and both wrestled and played football at Union High School in Tulsa, graduating from there in 1983. After high school he took some college classes but decided to join the U.S. Army. He served a total of eight years primarily driving armored vehicles and was stationed in Germany during the early part of the Gulf War. He thoroughly enjoyed the outdoors by hunting, fishing, and camping with family and friends. You could often find him in his boat on either Fort Gibson or Tenkiller Lake. He and his brothers played slow-pitch softball as long as their bodies held out. Jimmy loved both NASCAR and Sprint Car racing, and even sponsored a Sprint Car in the Tulsa area. He loved being an uncle and enjoyed family get togethers. You could always find his faithful black lab named Trooper by Jimmy's side until his beloved dog died two years ago. They would share tacos and other fast food because if Jimmy didn't bring some home and Trooper smelled food on his breath, he would give him the cold shoulder the rest of the night.

Jimmy worked in the Chemical Solutions industry for many years and was the owner/operator of American Bacterial Solutions for the past ten years. He will

be missed by his large family and many friends.

“ *My sweet Jimmy...*

I am so late in sending this but I literally just found out because I hadn't heard from him in awhile. I didn't know him but a few years and he was my contractor for American Bacterial (although the company doesn't exist we still talked) and he was the only person I could ever count on to be honest, fair and loyal. I never had anyone take the time to be patient and explain things. He will truly be missed especially his wonderful smile.

Love you like family,

Yolanda Osborne

“ Jim, you will be truly missed. There are so many memories I don't know where to begin. You always had a smile on your face, very fun to be around, very caring person and you always knew how to put a smile on my face. I know you are in a much better place and out of pain. I will never forget you and I will always have a special place in my heart for you. My thoughts and prayers are with you and the family.

I Love You Jim!!!

“ Jimmy was more than a friend, he was like family to us. He was a fun guy to be around and will be missed every day. He was good enough to help sponsor my sprint car which I appreciated so much. He was also wanting to help sponsor my little boy in his racing ventures which we appreciated so much as well. God Bless all of the family. We McClellands are praying for you.
