

James Logan

July 3, 1948 - September 12, 2023

Jimmy was dealt a hard hand as a year old baby when he contracted polio. His legs were affected but his spirit and heart grew beyond physical limitation. He met every challenge with a determination to succeed, an ever present smile, and a contagious laugh. A die hard Elvis fan, he was passionate about music, and usually had a song on his lips.

He graduated from Broken Arrow High School in 1967. He was a football fanatic and a passionate Sooner fan who could recite every important play of every Championship game. On game day he could be found glued to the television with one of his beloved boxers or doberman dogs by his side.

He was the eldest of five brothers who he kept constantly engaged in projects such as launching model rockets, backyard baseball, football, and shooting BB guns. He achieved the rank of Star Scouts in the Boy Scouts of America.

Trains, planes, and cars were a lifelong fascination. He got his pilot's license at a time when it was difficult for the disabled to be licensed and he loved the freedom flying afforded him. He took meticulous care of his cars which he polished until they looked as if they had come off the showroom floor.

In 1990 he met the beautiful redheaded Claire in Pacifica graduate school in Santa Barbara CA. They were married in 1994 in Albuquerque NM. Jimmy

loved the history and rugged beauty of New Mexico where they lived for many years. He and Claire forged an unbreakable bond of love and mutual admiration, and were each other's fiercest friend, advocate, lover and partner for over thirty years.

He was a skilled craftsman who at a young age could design and build furniture He carried those skills into adulthood as a home builder and developer.

In mid life he took his career in a different direction by earning a doctorate in Psychology, specializing in couples and family counseling. He touched the lives of many by providing guidance, understanding, compassion, and support.

Family and friends were the nucleus and and core of his life. He had an indomitable spirit that was a gift and inspiration to all who knew him. His spirit of joy and courage live on in the many people whose lives he touched.

He will be forever loved and missed.

“ Me and Lacy met Jimmy and Clair at St John’s while attending the church Christmas party last year. We had an instant connection with them. Lacy and Jimmy had similar interests in History and dogs. They could talk forever about all their common interests. We are so heartbroken but we also feel blessed that the Lord put him in our path. We will miss his sense of humor and contagious smile.

“ I’ll always remember Jimmy’s smile and mischievous nature. His love for Claire, the Sooners and his family were evident all the time. You could ask Jimmy anything and he could give you good information, his knowledge of practical and complicated things was amazing! He was also a talented Dog Whisperer, able to love and communicate with all Doggos in his sphere. My love goes out to everyone who will miss Jimmy, especially to my dearest friend Claire.

“ My sincerest sympathy to all in the Logan family. It was such a miracle that Jimmy was able to go home after his heart surgery to be with lovely Claire and celebrate his homecoming at poolside with his brothers, sister and other family members over pizza...such a gift from heaven above. Jimmy’s wonderful sense of humor was never better than when he masterfully told witty remembrances of his parents and siblings. His face and laugh reflected the joy and humor of the memories. I will remember Jimmy with kindness and love. Farewell and God bless you Jimmy. Katherine Palmer, Atlanta, GA
