“ *This is Jim Unger from Davison, Michigan. I have known Jim and Joe Pavich since we were all 11 years old and played on the Cubs Little League team in Cedar Lake together. Of late for the past 15 years or so Jim and I have become reacquainted. I considered him a friend and we would meet and talk once in awhile when I was visiting in Indiana. We also kept in touch by telephone. Over the years we both came to share our Christian faith together as well. I send my blessing and well wishes to all of Jim's family and friends.*
