“ Richard and I are so sad for all those who loved Steve, and we send our heartfelt condolences to you all. We enjoyed getting to know him over the years at shared family functions and on our Disney World vacation with Chad and Erin last year. He seemed so happy and on top of the world! And that's the way we'll remember him. He was such a nice man and I'll be forever grateful to him for how good he was to Chad and Erin. And he absolutely doted on Elias.

*Rest in peace, Steve.*
