“ American Bandstand, Everly Brothers, jokes ,laughter .How she loved kids and dogs. She taught me to dance behind the scenes as mother didn't want us to dance our way into hell.She brought us secret joy during times that were not so easy. One day has stood out in my mind .As we kids sat in the newly plowed garden shaking dirt off Johnson grass roots we fussed about the the work and one said do we get paid. Daddy said ,you get room and board. Janet said ,”I don't know about the room but we sure get the board”. We laughed so much mother about whipped us.Many smiles, trials and love dear sister.My heartfelt thanks to Ed her devoted husband who faithfully loved and cared for her in sickness and in health.You are truly a man after Gods own-heart. We will see you sis in a minute in the twinkling of an eye.💕💕
